**At the Oratory, we all try to follow in the footsteps of
Saint John Henry Newman by
"Shining as to be a light to others"**

My Vocation

Saint John Henry Newman

*God has created me to do him
some definite service;*

*he has committed some work
to me*

*which he has not committed
to another.*

I have my mission.

*I am a link in a chain,
a bond of connections between
persons. He has not
created me for nothing*

I shall do good. I shall do his work.

**Information inside this booklet explains how
together, we can do His work through our school
standards and expectations!**

Home, School and Parish working in partnership!

SUPPORTING CATHOLIC LIFE

Every child is a unique person created in the image and likeness of God, with a God-given potential for growth and an eternal destiny in heaven.

Adults within the Oratory school family have a special vocation to ensure our children receive the best educational experience in order to grow in love and knowledge of God, their neighbour, themselves and the created world.

Our faith is central to everything that we do!

We expect parents and carers to work in partnership with the school and parish; continually supporting our Catholic Life. For example:

SAFEGUARDING

Attendance and Punctuality

Good attendance and punctuality at school are vital for:

- ◆ your child's learning
- ◆ your child's confidence
- ◆ good progress and attainment
- ◆ establishing in your child a positive attitude towards the world of work.
- ◆ your child's social skills

What is good attendance?

In order to give a guide to your child's attendance it might be useful to consider government guidance on attendance:

99%-100% Outstanding

96%-98% Good

95% Satisfactory

Under 95% Cause for concern

Your child's attendance should be at least 95%.

This is the legal minimum requirement.
